

KIRLOSKAR OIL ENGINES LIMITED

Enriching Lives

LARGE ENGINE PLANT

To whom so ever it may concern

This is to certify that M/s. Decimin Control Systems Pvt. Ltd., Pune has manufactured and supplied the Silencers for 8000 HP & 4800 HP Engines of Indian Navy Projects as per our requirements. These silencers were for Marine applications with spark arrestors & FEA - Shock Analysis Certifications.

The Performance of these silencers and after sales support from Decimin has been satisfactory.

We intend to place orders for exhaust silencers for future requirements also.
